Thanks, Chuck. Good catches. I'll work on these. A preliminary version has already been sent to OMB, but we can probably revise it before the next version goes to them, and in any case before publication.

Aaron,

Please find attached a redline strikeout version of the draft notice of proposed rulemaking that includes revisions made thus far in response to additional OMB and interagency review comments, including to revisions to:

Ex. 5 - Deliberative Process

Ex. 5 - Deliberative Process

The attached version of the notice contains comments or highlighting as placeholders for those sections above that we are still working on revising.

Also attached is a summary of historical ozone measurements in the Uinta Basin illustrating the public health issue we are attempting to address.

Please contact me or Chris Dresser if you have any questions about what is being provided today.
